

Dear Class of 2022 Parents & Guardians,

Senior year has arrived, and Project Graduation is around the corner. Project Graduation is a celebration that has been held for the past 38 years. It is not a school sponsored event but is supported by parents and is meant to provide a safe environment for the graduates to celebrate their achievements.

Due to the current circumstances, we find ourselves in because of the pandemic, we are increasing the cost to \$200 per student, with that in mind we are hoping to have some successful fundraisers over the course of the year to help pay for the "extras" that will make the night and year memorable! Additionally, we look to our Brave community to get involved as much as possible. Many of you want your students to participate in Project Graduation and this is the time to really show your support.

If you are paying in FULL you may use the following as a method of payment:
Electronically with a credit card via the PTSO website here
<https://paperlessto.keritech.net/pto/members/regmerch.cfm?evnt=424174>

Anyone who has prepaid a portion MUST mail in a check payable to: PTSO IHHS and write PG2022 in the memo.

Thank you for your understanding!!!

*Please make checks payable to: **PTSO Indian Hills High School and mail to Indian Hills HS, 97 Yawpo Ave, Oakland, NJ 07436, Attn: Class of 2022 Project Graduation***

If you haven't already, please join our Facebook group "IHHS Class of 2022" to keep informed and up to date on all class activities.

We thank you for your support and donation,

The Class of PG2022 Committee

Jayne O'Neill
